THE TRUTH

Maestro Vincent Vibrato

The singing coach, with Dakota's revolver "Loretta"

Vincent was Rex's secret lover and promised to leave their spouse. They never would. Last Friday Rex threatened to tell everyone, and that same night Vincent took Dakota's forgotten revolver from the casino bar. Tonight, as a regular, Vincent walked in without being searched, shot Rex from the back of the theatre as the curtain rose, dumped the gun by the back exit and slipped into the crowd.
