Penny Slotz

Pronouns: they/them, or whatever suits your take on the character

YOU ARE NOT THE MURDERER

READ ALOUD IN PART 1 · THIS IS THE ONLY PART YOU READ OUT

"Hello, hello, HELLO, my darlings! Penny Slotz, your support act for this evening. Tonight you're all winners, baby. Now, has anybody seen my purse?"

WHAT EVERYONE ELSE HAS HEARD ABOUT YOU

Dramatic, sassy and iconic, but everyone knows about their pill-popping habit. Could this bad habit drive them to murder!?

Your story (these are truths, so you can't lie about them)

You're dramatic, sassy, up yourself and never seen without a purse full of pills to get you through the night. You're tonight's support act.

RELATIONSHIP STATUS

Single and ready to mingle.

BEEN TO EL CAMINO ROYALE BEFORE?

No. Tonight is your first booking here.

STARTING ROOM

The Bar

Who you know

- Tonight's support act on Rex's bill

Costume & Zoom background

The biggest wig you own, sequins, lashes, a purse that rattles. A dressing-room or neon-stage background.

Keep this pack to yourself until the night. Change your Zoom name to **Penny Slotz** when you arrive.

Your clues

You have to reveal all of these by the end of Part 4. Choose when and to whom, and be strategic.

- You wanted to go for late-night drinks with Rex after the show, but Rex said they were busy because they "had to tell someone something". You decide whether Rex hinted at something juicy and how you felt about it.
- When the gun went off, you were watching from the wings. You could see Dakota Calibre and Chemtrail Charlie in the **front row**, heckling.

WHEN THE GUN GOES OFF
Your alibi

Backstage in the wings.

PART 2 · PRE-SHOW DRINKS
Mission 1

Ask Lou-Ann Hashbrown why they've flown all this way for the show.

PART 4 · THE INVESTIGATION
Mission 2

You don't trust Starla Highkick. Ask where they were when the murder happened.

Quick rules

- **Truths:** you can't lie about anything in this pack. You can dodge, but if someone pushes, you have to answer, and only as much as they asked.
- **Everything else:** lie, improvise and embellish as much as you like.
- **"Did you do it?"** Anyone can lie about that one.
- **Moving rooms:** send the hosts a private Zoom chat message with the room you want.
- If your mission names someone who isn't playing tonight, ask anyone else instead.
